About Me

I am a BSc CSIT student and a web developer. I am passionate about computer science and love creating innovative online solutions through my coding skills and creativity. Being both a dedicated learner and a hands-on developer, I strive to excel in both my academic studies and practical projects."

Training

XDEZO 2022

Frontend Development

Completed an intensive frontend development course covering HTML, CSS, and JavaScript. Acquired practical skills in building responsive and visually appealing web interfaces. Developed proficiency in creating interactive web elements using JavaScript.

XDEZO 2022-present

Backend Development

Successfully completed a comprehensive backend development course focusing on PHP and Laravel. Gained hands-on experience in building dynamic web applications. Developed proficiency in database management, authentication, and server-side scripting.
